2021

To keep pace with the digital era, NMS developed the SmartCare App which enables everybody involved in the chain of delivery to give NMS feedback in time. The app allows a health worker who has received medical supplies to give feedback to NMS if there's any problem such as delivering short expiry drugs, items not ordered or late delivery.

**THE 60TH ANNIVERSARY OF THE
ESTABLISHMENT OF DIPLOMATIC RELATIONS
BETWEEN UGANDA AND CHINA**

“

History has repeatedly testified that Uganda and China are good friends who stand by each other's side through thick and thin. In 1971, Uganda supported China's accession to the United Nations General Assembly and Security Council.”
